A. Overview of Information Collection

Title of Information Collection: ConnectHome Baseline Survey Data Collection

OMB Approval Number: 2528-0308

Type of Request: New collection

Form Number: Survey

Description of the need for the information and proposed use: The purpose of this effort is to support communities in the 28 ConnectHome sites in administering a baseline survey of targeted residents' current at-home Internet access. The survey administration will include the development of an outreach plan with HUD ConnectHome collaborators and communities; selection of a sample of participants to be surveyed; administration of an initial baseline internet access survey; and submission of a database, codebook, and frequency output tables for collected data; and submission of a summary analysis of the collected data.

The baseline survey will provide HUD with baseline measures of in-home high-speed internet access, barriers to access among those without access, and types of devices used to access the internet. Upon establishing baseline measures, HUD's ConnectHome team will use this information to support local efforts in closing the digital divide.

Respondents (describe): The survey is expected to be administered by mail or by Public Housing Authority staff in person or by phone to targeted assisted households at 28 ConnectHome sites. Communities are targeting different populations, which the survey's sampling process will recognize that some communities are targeting only public housing households with children, while others are also targeting voucher holders or residents of HUD multifamily housing in addition or instead.

Estimated Number of Respondents: 2,800

Estimated Number of Responses: 2,800

Frequency of Response: One time

Average Hours per Response: 5 minutes (.0833 hours)

Total Estimated Burdens: 233.33 (233 hours and 33 minutes)

Information Collection	Number of Respondents	Frequency of Response	Responses Per Annum	Burden Hour Per Response	Annual Burden Hours	Hourly Cost Per Response	Annual Cost
Total	2800	Once	2800	.0833	233.33	\$100.00	\$23,333.33
